\* The Municipal Advisor (MA) has indicated \$2.00 per bond is charged as their agreement with the entity. The role of the MA is to serve as a fiduciary to the Issuer, providing advice concerning terms, timing, sizing and other similar matters related to the issuance of debt. Staff has been informed in the case of St. John the Baptist Parish, the MA has been involved in the computation and evaluation of cash flows and structuring of the proposed GO issue to determine the most economic and efficient method of funding the proposed projects. The projects of the entity involve numerous funding sources and the proposed GO bond is one result of that analysis.
